### *President's Notes:*

Dear All-

1. **Dadirri Weekend-** Please note the Dadirri Weekend which is coming up from the 4<sup>th</sup> to 6<sup>th</sup> November at St Alban's. Accommodation is available locally and can be booked through Lyndall. This is a great opportunity to get to know each other in a relaxed environment and in past years we've all had a lot of fun. St Alban's, near Wiseman's Ferry, is a beautiful location. Gill has very kindly agreed again to facilitate the discussion on the Saturday morning which will be centered around the theme of "The Institute as a Home for the Mind".
2. **The AGM-** the 21<sup>st</sup> November. This meeting is important in setting the scene for the year ahead. I will be stepping down as President at the AGM and Michael will very kindly and I'm confident very ably, be taking up the position of President from that date. We will be looking to fill the positions of President Elect, Secretary and Treasurer as Eva, understandably after many years of service, has asked this year to stand down. We will also be looking for people to take up positions as Chairs of Committees. If you are willing to nominate for a position or have someone in mind to nominate please contact either myself or Lyndall as nomination forms will be made available before the meeting. We would love to have some new faces on the Executive.

3. **The ATAB-** We are very happy to announce our 2016 Training Group which commenced Infant Observation several weeks ago. They are looking to find mothers and babies so please keep them in mind! A Welcome and Orientation Evening was held on Thursday, 11<sup>th</sup> August and members of the ATAB as well as trainee advisors were invited to meet the new trainees. Michael presented an excellent Power Point presentation which is available to all members on request.

**The 2016 Training Group** consists of:

*Farideh Absalan, John Conaghan (Newcastle), Yael Levy, Hassan Mehdi, Swapnil Sharma and Kathy Watson.*

A very warm welcome to all our new trainees.

We now have 3 Training groups with a total of 20 trainees which is a real tribute to the hard work and generosity of all involved in the training and especially of Michael and the other ATAB committee members.

4. **Premises** -Just a reminder that we now have a Consulting Room at the Institute which we are renting at a sessional and hourly rate. Google calendar is being used now for all room bookings. Access is via the Username: [nswipp4@gmail.com](mailto:nswipp4@gmail.com); Password: Sigmund123a  
Members wanting to book a room for any purpose can check availability via the Calendar or through Lyndall if the latter is too challenging!
5. **CEAB-** An excellent presentation was given by Robin Bowles at the last Scientific Meeting on her work with asylum seekers at STARTTS. Please note forthcoming dates for CPD with a paper by Jyotsna Field on *Psychoanalysis and Aging* on

24<sup>th</sup> October as well as the *Isla Lonie Memorial Lecture* on the 12<sup>th</sup> November which will be delivered this year by Ann Cebon from the VAPP. Our last presentation for the year will be on the 28<sup>th</sup> November by Tim Keogh- *Psychoanalytic Reflections on an Experience of Aboriginal Cultures*.

6. **MAB**-Belinda Keatinge has kindly taken on the role of Chair of the MAB and there is considerable interest from people wishing to apply for Membership. Two members of APPWA- Mee Hee and Heath Townsend have moved to NSW and are attending Outreach programmes with a view to further involvement.
7. **ETHICS**- An Ethics Hypothetical was held on 25<sup>th</sup> July and facilitated by Paul Foulkes and centered around the interface of new technologies with clinical practice and generated good discussion. We intend to have at least one Ethics presentation per year for the CPD meetings.
8. **Upcoming Social Events:**  
Please save the date for the **Christmas Party on 3<sup>rd</sup> December**. Details to be announced.

**Social Nights at the Merton**- More to be announced. They have been a great success to date and are again a way for us to keep connected and to get to know one another better in an informal setting.

Warm regards to you all,

*Anne-Marie*

## **BIO –Heath Townsend**

Heath was born in Western Australia. She has maintained a keen interest in the human condition through psychology and psychoanalysis. She also enjoys literature and the visual and performing arts.

She is a Clinical Psychologist and a Psychoanalytic Psychotherapist who has been a foundation member of the Association of Psychoanalytic Psychotherapist of Western Australia (APPWA) since 1984. Prior to establishing her private practice in 2001, Heath worked in the State Mental Health System in both general and psychiatric hospitals as well as in adult and child and adolescent community settings. She supervised students in the Clinical Post Graduate Training Program at the University of Western Australia for 15 years.

Her current practice is primarily with adults but she also works with couples, children, adolescents and their families. Attachment Theory informs her psychotherapeutic work and she has a particular interest in the area of parent/infant health. She provides individual and group supervision to other clinicians.

Heath is now establishing a private practice at the NSWIPP rooms in Glebe.
