MESSAGE FROM THE PRESIDENT – Anne-Marie Swan

Dear All-

At the end of a year that has been mixed with many things, I'd like to take this opportunity to wish you all a peaceful and happy holiday.

The year is tinged with sadness as we farewell Neville Symington from our midst. He was a towering figure who left his mark on the psychoanalytic community both here in Sydney, Australia and abroad. Like many who have gone before him, we honour his legacy to us as we continue the challenge of our work.

We also feel sadness for Dorothy Francis who has been such a strong supporter of our work and who, if not for her illness, would be writing these words now as President. We wish her well on her journey through this difficult time.

And we welcome a NSWIPP baby into our midst with the arrival of Natasha's baby, Flora.

As I look back on the year, my primary feeling is one of gratitude to both past and present Members for their continued commitment to the life and work of the Institute which has brought us to a place where we can truly say that we are in good shape.

Thanks to Jan, our current treasurer and to Eva, our past treasurer, we are in the process of owning our own premises and are in a sound financial position. Thanks to Belinda and a strong membership committee we have had five new Members this year. Thanks to Michael and a strong training committee we have seven new trainees this year and continued interest in our training. And thanks to Natasha and a strong continuing education committee we have managed to put together a programme for CPD as well as continued peer case conferences. Thanks again to Michael and a strong Ethics committee we have had some good discussions and no complaints. Laurie has done a great job with chairing of the supervisors' group. Despite having a baby

along the way, Natasha has not only co-ordinated the CPD but also taken up the challenge of the website and Julie has ably taken over when the demands of motherhood became pressing. Thanks to Maria we have had a highly successful book sale and a clearance which is long overdue and has given us more space in the Seminar room. I can only express gratitude to all on the Executive for the cohesive way in which everyone has worked together and just 'got on with the job'.

None of this would be possible without our having an excellent administrative officer in Lyndall, who keeps us all up to the mark with unfailing cheerfulness and expertise.

The official business of the year recently came to a close with a great Dadirri experience which was held at our premises. This was brilliantly facilitated by Gill on the Saturday morning and Laurie and Jo on the Sunday morning. A really striking feature for me this year was the mix of Membership between the old and the new as well as the general agreement that things are getting better each year in terms of group satisfaction and cohesion. Please read the summary which Jo and Laurie have prepared and is being sent out to you all.

Finally, the year ended on a happy note with the Christmas Party. Thanks again to Dorothy for her inspiration in finding the venue for us at the Welcome Hotel in Balmain. You were very much missed. And a big thanks to Natasha for coming 'en famille' and introducing us to Flora. It was unfortunate that the date coincided with the date of the Sydney Institute Party and we'll try to be more careful next year.

May we all look forward to a well-earned rest and a great New Year with hope for the future as we tackle some of our major challenges on a global scale.

Warm wishes,

Anne-Marie
