MESSAGE FROM ANNE-MARIE SWAN

Dear Colleagues-

Thank you for all the support I have received in taking up the position of Acting President.

Dorothy is doing as well as can be expected at this stage of her illness and we are all thinking of her.

Natasha Bonnin is expecting a baby in November and we also extend to her warmest congratulations.

We had our last Executive Meeting on 1st June.

Treasurer's Report: Many thanks are due to Jan Williams who has taken up the role of Treasurer with enthusiasm. We are in a healthy position currently with both Membership fees, and rental from the flat and the consulting room covering our expenses.

A reminder as we are nearing the end of the financial year for all those who are willing and able that donations to the NSWIPP Building Fund are tax deductible and will help towards much needed roof repairs, blinds, tree removal and a downstairs toilet.

Many thanks to those who have already generously donated.

MAB News: we warmly welcome Tuan Nguy to full Membership and invite you all to attend a presentation for Membership by Sonia Weschler on 29th July. We also welcome Deborah Rozea and Jacqui Winship, Associate Members who have now progressed to full Membership. Thanks to Belinda and the MAB for all the dedicated work they have put into the MAB which is reflected in the current keen interest and increase in Membership.

I would especially like to thank Maria Kourt for her dedicated contribution to the MAB over the past five years. Maria has stepped aside due to timetabling difficulties and Joanna Barnes has kindly agreed to take her place on the Board.

A reminder to everyone to please fill out the Membership Renewal form which was sent to you on the 17th June.

For your convenience here is the link to the renewal form:

ATAB News: Due to an outstanding effort by all involved our training programme continues to thrive. We have currently seven applicants for our 2019 Training Programme which is due to commence in early August. Michael continues to do an outstanding job of Chairing the Committee, but thanks are due as well to all who give of their time to this important aspect of the life of our Institute.

CEAB News: Natasha continues to co-ordinate a very successful programme. Since her baby is due in November, she may need help around that time so if anyone feels inspired to take up the offer please let Natasha know. We had a good turn out for Julia Sideris' presentation on her work with indigenous children using Art therapy in remote parts of NSW.

There was also a good turnout to Julia Meyerowitz- Katz presentation on Psychoid structures and processes with 8 people attending by Zoom of a total of 15 present.

Thanks to Michael and Lyndall's husband, Steen, we are now able to offer Zoom to those who are unable to attend in person. Just a reminder to please mute your microphone, (not speakers!) when zooming in.

Importantly Michael is organising a Training Session on how to use Zoom as well as the Audio-Visual equipment at the Institute which I would urge all possible to attend. It is most unfair to expect Michael always to be present to attend to the use of our equipment. We all need to be able to use it as needed.

It's of course also important to meet in person when possible.

PPAA Conference: Thanks to Michael and also Maria this was a great success and felt by many present to

be one of the best ever! Thanks also to Eva for her hard work in making the Trainee experience both possible and fruitful. Trainees were present for the first time on the Saturday and Monday and had their own sessions on the Sunday morning which seemed to work well.

The Conference is always a nourishing experience and a great opportunity to meet up with Interstate colleagues and share experiences.

Website: We are in the process of revamping our Website to make it more user friendly. Natasha Bonnin is our Web Co-ordinator and we have a new professional Web Master, Ulysses, who is doing a great job for us at a very reasonable cost.

Please visit the Website to see what changes you would like and let Natasha know if you have any suggestions, queries or concerns.

Dadirri: Due to the success in having Dadirri at our Premises last year it has been decided to do this again this year.

Gill Straker has kindly agreed to facilitate for us again on the Saturday.

Please set the date of 22nd – 24th November aside as this is an integral part of the healthy functioning of the Institute.

Please do feel free to contact Members of the Executive Committee or myself if you have any queries, concerns or suggestions.

Warm wishes,

Anne-Marie
